

SELECTMEN'S MEETING

May 25, 1978

Present were Oliver Andrews, Roland Sallada and Betty Hooper.

The following buildingspermits were approved: William Luffman, Henry Michaud , Loren Wright for a country toilet and Lloyd Ellison for a building and driveway permit. Two gravel permits were issued to John Heafield, Jr.

Mr. David Sullivan brought in pictures of his completed mobile home and site. The Selectmen approved the finished product.

Dorothy Fillmore came in with all ~~detail~~ details of using CETA funds. The town must apply for a CETA PERSON before July 15. A committee will be formed with Dorothy Fillmore and Betsy Moore as co-chairman to reconstruct and revalue the rules and regulations of the function of the town hall including rental fees. They will also make decisions on repairs and cleaning of the building. This committee of five members will meet on Thursday June 1 with the Selectmen to vote on details of the town hall and make a final decision on whether to hire a CETA person for this project. Persons tentatively appointed to round out the committee are the following: Mayr Anne Martel, James Dane and Howard Kane. Alternates: Donald Chapman and Joanne Luneau.

Walter Tirrell came in to advise the Selectmen that he has sold his trailer to Andrew and Annick Merrill. The sale also includes the trailer of Lester Tirrell. The Walter Tirrell family is moving to Winconsin but has left his pending business with his attorney, Kurt Swenson. Mail will reach him for the time being with his mother, Helen Hill, Page Hill Rd Goffstown, N.H.

~~LKU~~ Building permits were approved for David Woodbury and Adam Marcinuk; a driveway permit for Edward Murray, approved.
