

SELECTMEN'S MEETING

June 22, 1978

Present were Roland Sallada, Thomas Mansfield and Betty Hooper.

Martha Brooks and Randy Parker, representing the Conservation Commission, came in to discuss the purchase of the Railroad right of way. George Sumner of Hampton appraised the land, but the government did not approve his results. The Commission plans to pursue their plans to purchase this land, perhaps by hiring another appraiser. The Selectmen gave their approval.

John Bunting came in to have more road locations approved.

The Town Clerk informed the Selectmen that her office will be closed Thursday evenings during the month of July.

The Selectmen voted to pay the Deputy Town Clerk \$2.50 per hour whenever she is called upon to serve.
