

Selectmen's Meeting

October 31, 1988

Present were Selectmen Olson, Mansfield, Dodge and secretary.

7:00 Selectmen met with contractors who will be renovating the Town Hall.

8:35 Mark Thome and Dan Way was in to discuss relocation of McCurdy Road. Dan Way will give a Fifty foot right-away to the Town in return for a driveway built up to the point of gravel, the hardwood, pines that he flags, grade the existing road back in and seed, and fix the grade in front of his barn. For the triangle piece he would like fair market value for this piece of land. Mark Thome would also like the hardwood (grapple load) thats on his property. Selectmen Dodge will contact Robert Todd to complete the survey work on this relcation of McCurdy Road.

9:20 Scott Elliott was in to discuss relocation his trailer from his fathers property on Route 136 to his property on Pine Echo Road. He is requesting a temporary two (2) year trailer permit. He feels within two years he will be able to complete his house. After he moves into his home he will sell and remove the trailer.

Selectmen made an appointment for Wed. November 2, at 4PM to inspect the condition of Leach Hill Road (a class 6 road) due to the letter they received from Bradford Carr with concerns about Tax Map 12 Lot #44 being sold.

Selectmen review weekly mail and signed weekly checks.

Respectfully submitted
